Northern  
Ireland

The background of the entire page is a dark blue gradient. Overlaid on this is a complex network of thin, glowing teal and yellow lines that connect various points, creating a sense of global connectivity. The lines are most dense in the lower half of the image, where they form a large, intricate web. The lines radiate from several central points, creating a starburst effect. The overall effect is one of a global network or a map of connections.
